

# INTERCHANGEABLE TIPS FOR FULL METAL STICKS

These tips are made to screw into the end of your stick for different applications. The demon tip and conical point can be securely stowed inside the stick itself when not in use.

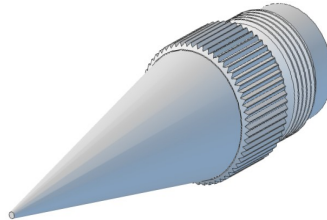

## Interchangeable Tips

The "Derita Demon" tip

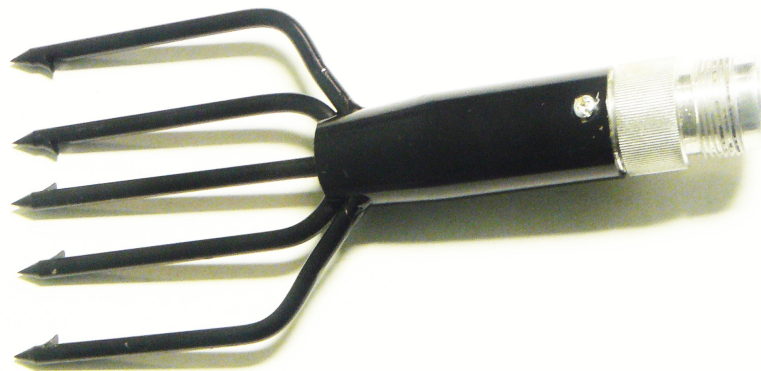

(included with all models)

3" Conical Point

(included with "Survival" model)

Gigging Tip --- Available soon, adapter shown in the white (will be black anodized)

Adapters for many bladed weapons  
(shown in the white, to be black anodized)

Adapter for SOG spear head

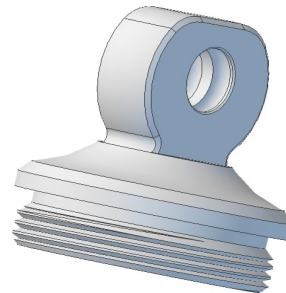

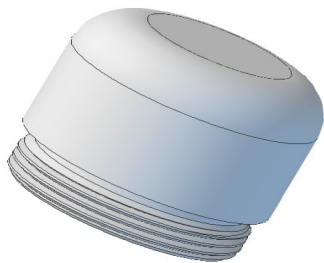

Adapter for S&W Spear Head

## **ADDITIONAL ATTACHMENTS COMING SOON!**

The top caps are also replaceable and a variety will be available.

### **Top Caps**

We are looking forward to supplying a nice variety of tips and top caps. We also welcome suggestions! Normally, when a customer is the 1<sup>st</sup> to suggest a component that we add, we offer a free prototype from the first run.
